*The Jamboree concept was developed in Europe a number of years ago and involved eleven year old children from all over Europe coming together for a week long Camp during which they not only play Basketball, but are involved in a total range of social activities, including other sports, making new friends, and most important of all, having “fun.”*

*“The emphasis of the Jamboree will be firmly placed on both Fun and Development (both social and physical skills). Players will enjoy playing (up to 3 matches) social and educational activities. **PLAYER INFORMATION**

**Congratulations** .....

You are one of the players from your Association to have been selected to attend the Great Murray River Jamboree for players that are U12 (31<sup>st</sup> December 2010).

This concept of the Jamboree has been developed to provide junior basketball players with an enjoyable experience that includes more than just head-to-head competition. The Jamboree experience includes games, social activities AND coaching clinics. It is participation and fun that is more important at the Jamboree. The games have specially designed rules that cater for the involvement of all players. Competition fixtures will be distributed on arrival.

The full group will be made up of 25 boys and 25 girls from the Registered Associations that make up Basketball Pacific. The final group should be known by the early September, 2010.

The group will be led by Robyn Ruka (Hamilton), who also led our group to the 2009 Great Murray River Jamboree.

The Great Murray River Jamboree is a self-funded programme. The travel arrangements are in the hands of Orbit Corporate Travel Hamilton. **The cost of approx \$1485** covers all known costs: flights, taxes, insurance, travel uniform, food, accommodation, Jamboree Registration, Jamboree T-shirt/Ball. This cost does not include any future increases imposed by the airlines or other suppliers and that are outside our control. These will be passed on to those in the group. The cost of food en route to and from Albury while on the bus is a player expense.

ALL players attending will be put into teams at the Jamboree and mix with the many Australian U12's from every State who has also been a part of the Australian Skill Days programme.

Parents are encouraged to attend the Great Murray River Jamboree. Orbit Corporate Travel Hamilton (contact Wendy Harrison ph 0800 .739009) are able to arrange a tour package for a few supporters as there are some spare seats on our bus to and from Albury. They can also make accommodation arrangements near the stadium.
