

#### 4. Team Classification:

- 4.1 Placing's for the major rounds shall be determined according to the number of competition points earned.
- 4.2 In the event of two teams being equal for a position, preference will be given to the team winning the game played between the two equal teams.
- 4.3 If more than two teams are equal for a position, preference will be given to the team with the best goal average between the equal teams.  
Only the games played between the equal teams are counted towards determining the goal average.  
This is decided by:  $\frac{\text{Points for}}{\text{Points against}} = \text{Goal Average}$
5. Referee supervisors shall appoint a table chairperson for each game.
6. Each team will be responsible for providing two (2) score table officials for their respective game.
7. FIBA scoresheets shall be used.
8. Officials, players, parents and coaches are reminded that the **Pacific Coast Slam** is a development tournament and that poor behaviour and sportsmanship will not be accepted.
